Perhaps the most gorgeous motorcycle of the present day... This iconic special edition comes in Lava Orange with sparkling metallic flake, also red pinstripes and two tone silver with fade edges. This unique paint job has to be seen to be fully appreciated. Take a closer look to see the silver on the tank is actually brushed aluminium with a clear coat! It is loaded with Option 719 exclusive parts including the classic spoked wheels, billet bar end mirrors, billet hand levers, billet clutch and brake fluid reservoir caps, billet footpegs, billet passenger footpegs and billet footpeg mounts. It comes with a passenger seat cowl which can be removed to reinstall the included passenger seat with orange stitching. The front headlight fairing completes the racer look. This bike is truly a work of art, a masterpiece on two wheels. The R 12 S combines the shapes and colours of the iconic racing bike from the 1970s, the R 90 S, with modern technology, comfort, and dynamic performance. Based on the R 12 NineT, it gives you the ultimate feeling of nostalgia, an emotive, soulful riding experience with unmistakable BMW boxer engine character.
