Powered by the 1254cc ShiftCam boxer engine producing around 136 hp, the GS Adventure delivers immense torque, smooth power delivery and effortless performance both on road and off-road. The massive 30-litre fuel tank and comfortable upright riding position make it ideal for long-distance touring and remote adventures.

- Black Cross Spoke Wheels
- Passenger Kit

#### Standard TE features include but are not limited to the following:

- Adaptive LED Headlight
- LED Additional Fog Lights
- Multifunctional Indicators
- Cruise Control
- Tyre Pressure Control
- Dynamic Electronic Suspension

The Rallye Package gives the bike a more aggressive, off-road inspired look with distinctive Rallye colour scheme, rally seat styling and cross-spoked wheels, highlighting the sporty side of the GS Adventure.
